Kerry Da Shakerman Hand Drumming

5 hrs ·

I teach hand drumming focusing on how rhythm "works", my students tend to lean pretty quickly with my "Road to Rhythm" program I've developed over 15 years or more....

Happy to be of service now in the S. California area, especially Orange County though I teach once a month in S. Pasadena and can offer classes in San Diego from time to time.

I'm available for private, semi-private and group classes as well as hosting drum circles professionally.

I have high quality drums to use for my students and use handouts to help speed up the learning process...

All classes offered with a satisfaction guarantee!

Here's to the POWER of the DRUM!!
